The Overland China Mail.

A WEEKLY JOURNAL FOR THE HOME MAIL,

IS PUBLISHED to suit the Departure of each English and French Mail Steamer for Europe. Formerly the Overland issue was published fortnightly; but it was deemed of special interest that a weekly budget of news should be prepared, it was decided to make it weekly. Subscribers at Home and those at the Coast Ports, in the interior, who find the Overland edition a convenient form of newspaper for their perusal, will welcome the change. The Overland China Mail, now a weekly compendium of news from the Far East, contains special Commercial intelligence, special tables of Shipping, and other information. The various Reports of Courts and Meetings, and all other news, are given in full as they appear in the Daily issue.

The attention of Advertisers is directed to a weekly newspaper which is circulated among old China 'hands' and others, both at home and in the Far East, who do not take the daily journals.

The Overland China Mail will be regularly posted from the China Mail Office to subscribers, on their addresses being forwarded to us.
